

WONDER & FLOW

More Wonder. Less Worry. | Brain-Based Virtual Micro-Pods

TEXAS TEFA / ODYSSEY APPROVED

Welcome to Wonder & Flow

Founded by Brittany Fank—a certified multi-subject teacher, reading specialist, neurodivergent educator, and homeschool mom. Wonder & Flow specializes in warm, sensory-friendly virtual learning designed for neurodivergent thinkers (ADHD, Dyslexia, Dyscalculia) and kids who thrive outside traditional classroom boxes.

STRUCTURED LEARNING PATHS (12-WEEK TERMS)

Grades K–2 | Ability Level 1 | \$1,200 / Quarter

Scout Path — Foundational Micro-Pod

Schedule: 3 Days / Week (Mon, Wed, Thu — 45 min/day)

Warm, sensory-friendly group focus on core reading imagery, phonics sound-mapping, and visual math sense using Lindamood-Bell® (Seeing Stars®) and On Cloud Nine® / Montessori math. Capped strictly at 3–4 learners.

Grades 3–5 | Ability Level 2 | \$1,200 / Quarter

Explorer Path — Expansion Micro-Pod

Schedule: 3 Days / Week (Mon, Wed, Thu — 45 min/day)

Interactive group focus on multi-syllable decoding, reading comprehension imagery (Visualizing & Verbalizing®), multi-step math logic, and hands-on STEAM investigations. Capped strictly at 3–4 learners.

Grades 6–8 | Ability Level 3 | \$1,200 / Quarter

Navigator Path — Mastery Micro-Pod

Schedule: 3 Days / Week (Mon, Wed, Thu — 45 min/day)

Supportive middle-school group space targeting complex reading analysis, fluent expression, multi-paragraph visualization, and real-world math reasoning. Capped strictly at 3–4 learners.

Custom 1-on-1 Support (Hourly Flex-Track) — \$65 / Hour

Exclusive 1-on-1 virtual clinical sessions custom-built around your child's exact learning profile, pacing, and interest hooks. Perfect for high-intensity skill recovery or flexible scheduling.

Direct Odyssey Marketplace Billing (Texas TEFA / ESA)

Seamlessly process your \$1,200 quarterly pod tuition or 1-on-1 Flex-Track vouchers through the Odyssey marketplace with zero out-of-pocket stress.
